BULLETIN NO. 2

CHASE, ALABAMA, FEBRUARY 19, 1914.

TO THE TRADE:

We are mighty busy filling orders received from our Bulletin No. 1. Our printer is also working over time, therefore we have not changed the figures shown in Bulletin No. 1, except where we are sold completely out. This list is changing with every mail, therefore please name second choice and give us explicit instructions if we are to substitute both on grade and variety. We have added some items and it will pay you to look this bulletin over carefully. Will begin packing our surplus stock into assorted boxes in about ten days. Our next bulletin will show box lots only, which we will distribute from St. Louis and Rochester as usual.

Note our list of Nurserymen's Supplies—French Pruning Shears, Waxed Grafting Thread, Fumigating Chemicals, and many items not easily located elsewhere. Supply orders shipped next train after receipt of order.

Terms and conditions of sale as per our regular trade list, copy on request.

Cash with order where purchaser's credit is unknown to us.

Boxing extra except as noted.

Freight prepaid to our distributing points—Rochester, St. Louis and Philadelphia—when shipments can be included in our regular car lots to these points.

Yours very truly,

CHASE NURSERY COMPANY

CHASE, ALABAMA

Fruit trees, in 1 to 2 feet, 2 to 3 feet, and 3 to 4 feet grades are tied in bundles of 25, larger grades in 10's. Please make your order in multiples of these numbers. We lost a good "cellar man" last spring because we had to break bundles. If you will insist we will do it, but will have to charge an advance over prices shown herein.

Ornamental Trees, Shrubs, Deciduous and Evergreen, Climbers

For Transplanting to Nursery Row

We are offering a longer list of this class of stock than usual. All Imported stocks were personally inspected in France and Holland by a member of our firm. Everything will be strictly up to the grade specified.

We urge **EARLY ORDERS** on this class of stock. Can carry in storage until you want delivery, but will not offer this stock in boxed lots from our distributing points, and this list will not appear in our later Bulletins. **WE MAKE NO CHARGE FOR PACKING THIS TRANSPLANTING STOCK**, prices include proper packing in paper lined cases.

WISTARIA, Sinensis Alba, Chinese White Wistaria, 2 year, Layers	6 00	

FRUIT TREE SEEDLINGS

The American grown seedlings are now in stock in fine order and can ship on short notice. The Imported seedlings are arriving from Europe and by the time this list reaches you, almost all items will be in stock. All seedlings under this heading are **DELIVERED F. O. B. CARS HERE, WELL PACKED IN PAPER LINED BOXES** at prices named.

	Per 1000
Apple, American Grown, No. 2, 2-16 to 3-16, straight roots	3 50
Apple, French Grown, Imported, No. 1, 5 to 7 mm, branched roots	7 50
(The No. 1 and No. 2 straight roots are best for piece root grafting, the French branched roots are best for whole root grafts and for budding. The French measure, mm, means millimeters, of which there are 25 to one inch.)	
Pear, Japan, American Grown, No. 2, 2-16 to 3-16, too small for grafting	7 50
Pear, French, Imported, No. 1, 5 to 7 mm, branched roots	8 00
Pear, French, Imported, No. 2, 3 to 5 mm	4 50
(The No. 2 French, Imported, are too light for grafting)	
Cherry, Mahaleb, Imported, No. 1, 5 to 10 mm	10 00
Cherry, Mahaleb, Imported, No. 2, 3 to 5 mm	6 25
Plum, Myrobalan, No. 1, Imported, 5 to 10 mm	12 50
Plum, Myrobalan, No. 2, Imported, 3 to 5 mm	9 00
Mulberry, Russian, 1 year seedlings, 12 to 18 inches, about 3-16 inches	6 00
Chestnut, Spanish, Imported, 1 year, 6 to 12 inches, seedlings	15 00
Chestnut, Spanish, Imported, 2 year, 12 to 18 inches, seedlings	20 00
Walnut, English, Imported, 1 year, 4 to 6 inches, seedlings	25 00
Walnut, English, 2 year, 6 to 12 inches, seedlings	30 00
Walnut, Japan, American grown, 2 year, 6 to 12 inches, seedlings	20 00

EVERGREEN SHRUBS

NOTE—If wanted Balled add 5 cents per plant.

NURSERYMEN'S SUPPLIES

PROMPT SHIPMENT

All supply orders (except printed matter) are usually shipped next train after receipt. We try to carry a complete stock at all times. Our location at Chase gives us unsurpassed facilities for quick action on rush orders—two lines of railway, ten trains per day stopping here.

KNIVES

Made especially for us by a manufacturer who is "fussy!" about the quality of his output. Have used and handled these knives for twenty years.

PRUNING—Chase's Flat Handle Pruner—The strongest pruning knife made, handle composed of two halves hardwood riveted through the blade which extends full length, see cut above. Full length $7\frac{1}{4}$ inches. If you can break the handle on this knife we will replace it without cost. The metal is high-class. Price, 35c each, \$3.50 per dozen postpaid; \$3.20 per dozen by freight or express.

PRUNING—C. A. G. Pruner - Stationary handle; full length 8 ins.; length of blade $3\frac{3}{4}$ ins. Handle, hardwood; blade entered deep and fastened by tang through full length of handle, making a strong knife. 30c each, \$3.20 per doz. postpaid; \$2.85 per dozen by freight or express.

KNIVES—Continued

GRAFTING—C. A. G. Grafter ($\frac{3}{4}$ Size)—Cocoa handle; pocket edition, 25c each, \$3 per dozen postpaid; \$2.75 per dozen by freight or express.

BUDDING—Wostenholm I-X-L Ivory Tip ($\frac{3}{4}$ size)—The best budding knife we know of, and strong enough for an all-purpose knife. 75 cts. each, \$8.25 per dozen postpaid; \$8 per dozen by freight or express.

BUDDING—Chase's Special Ivory Tip—A mighty good budding knife; next to the Wostenholm, it is the best ivory-tipped knife we can find; in appearance almost exactly like Wostenholm; 60c each, \$6.50 per doz. postpaid; \$6 per doz. by freight or express.

BUDDING—Stationary Budder (Blade does not fold)—Note shape, size and "hang" of blade, made for budding, but not as convenient for the pocket as the others. 25c each, \$2.50 per doz. postpaid; \$2.20 per dozen by freight or express.

Special Notice—All postpaid prices on supplies are based on the old merchandise rate, we will apply Parcel Post rates and where there is a saving effected, you will get the benefit. The difference between the old merchandise rate and the new rate will be credited on invoice, or returned to you if you have remitted cash with order.

PRUNING SHEARS

The **Watch Spring French Shears** stand at the head of the list for making cuttings of all kinds. For this work the 8 inch size is just right. For cutting back seedlings to the bud or any heavy work the 9 inch is recommended.

Watch Spring, French, 8 inch—Per pair postpaid, \$1.35; per dozen pairs freight or express (weight per dozen pairs 7 lbs.) \$14.50.

Watch Spring, French, 9 inch—Per pair postpaid, \$1.70; per dozen pairs freight or express (weight per dozen pairs 11 lbs.) \$17.00.

English Pattern, 8 inch One of the best made shears in the market; an extra blade with each. Heavy long brass spring that will last as long as the shears. \$1.90 per pair postpaid.

Ladies' German, 6 inch, full nickel plated. Volute spring. Not large enough for general use. High grade, beautifully finished, large enough for use about rose bushes or shrubs in the garden, or for light work. 75c per pair, postpaid; \$8.00 per dozen pairs by express or freight. Weight per dozen pairs, 2 $\frac{3}{4}$ lbs.

American Make, 9 inch—Good cheap shears, strong, well made, weight 17 ounces. Volute steel spring. 65c per pair, postpaid. Per dozen pairs, \$5.75, by freight or express, per half dozen \$3.00, per pair, 50c. The best low priced all round pruning shear we know of.

Box Lining Paper—Now universally used by progressive nurserymen; risky business to pack in unlined boxes. This paper is tough, resists a good deal of moisture, almost waterproof. Helps keep out heat as well as frost, protects contents of box from drying winds. Put up in rolls, 30, 36 and 40 inches wide, about 100 pounds in a roll. One roll of 40 inch will completely line about 27 full size cases. This is not the lowest priced paper on the market, but our experience proves it the most economical. We cannot break rolls. Per pound, 4½ cents.

Ames Nursery Spade—D handle, double strapped full length of handle, tapered nursery spade; size of blade $12\frac{3}{4} \times 7\frac{1}{2} \times 5\frac{1}{2}$; weight, 9 pounds. \$1.50 each, \$18.00 per dozen. SPADE HANDLES for above spade. These handles are bent to fit and riveted. 40 cents each, \$4.50 per dozen.

Cordage, Twines, Etc.—**FLAX SAIL, TWINE.** For sewing burlap; put up in skeins, per pound, 30 cents.

TWO-PLY SISAL, CORD (breaking strength 170 pounds) For heavy express bales; on reels of about 50 pounds each, per pound 10½ cts. We cannot sell less than a reel.

FOUR-PLY WOOL, TWINE—For tying trees in bundles; put up in balls weighing about one pound each; packed about 120 pounds in a bale. In bale lots, per pound, 10½ cts., in less than bale lots, per pound, 11½ cents.

TARRED SISAL YARN or LATH CORD. In coils. Good for tying trees for storage or cellars. About 100 pounds to a coil. Per lb. 11½c, (Will sell any amount wanted.)

Grafting Thread Put up in balls and packed 20 balls to the box. A box of twenty balls will wrap about 40,000 average grafts.

Price per Ball unwaxed..... 8c

Price per Ball waxed..... 12c

Price per box 20 Balls unwaxed..... \$1.25

Price per box 20 balls waxed..... 1.90

(If mailed, add 2c ball unwaxed and 5c ball waxed)

The above illustration shows a ball of our grafting thread with a pencil run through the hole in the center. Many nurserymen prefer to suspend the ball of grafting thread from a wire to be unwound as it is used. We prefer to keep the grafting thread in warm water while it is being used, as described below. This can be used either way.

To Keep Grafting Thread in Good Condition While Using

Put a ball of waxed grafting thread into a quart cup or pan (a tomato can will do) fill it half full of water and arrange over a lighted lamp or small oil stove to keep the water warm.

"Scrap Burlap"—Second hand pieces 24 inches square and upward, bales of 100 pounds, per pound, 4½ cents.

Needles for Sewing Burlap—Five-inch, extra quality, large eye, 40c per dozen; 5 inch common, 25 cents per dozen.

Labels—**PLAIN IRON WIRED.** 3½ in. plain, 1000 to package, 75 cents per 1000, by freight or express; in 5000 lots, 70 cents per 1000; in 10,000 lots, 65 cents per 1000. **COPPER WIRED,** size same as above, add 15 cents per 1000.

Chase's "Dig Ezy" Hoe—This is a thoroughbred. It's long and narrow "snout" makes it one of the best Nursery Weeding Hoes we have ever used, and it is also strong enough to grub out seedlings. This hoe is not too heavy. Balanced just right. Double riveted, 65c each, \$5.50 per dozen. Will sell half doz. at doz. rate.

Sphagnum Moss—Put up in wire bound bales, size 16 x 20 x 38 inches, average weight per bale when unloaded from car, 140 lbs. The shrinkage in weight is a considerable item, as the moss is stored in our ware house and the moisture is constantly evaporating. Price per bale, \$2.50. For long distance shipments these bales should be wrapped in burlap. Extra per bale for burlapping, 15 cents.

Steel Box Straps—One inch wide, 9 inches long, thin, soft steel, strong enough to hold the heaviest box. You can drive an ordinary nail through it without punching. About 2800 pieces in 100 pounds. Less than 50 pounds, per lb. 5c; 50 pound boxes, per box, \$2.25; 100 pound boxes, per box, \$4.00.

Alabama Mule Skin Mittens A leather mitten with separate sheath for forefinger, the other three fingers in one sheath. Made from mule skin, nearly as durable as buckskin, at one-fourth the cost. Single pair, by mail, 40 cts. postpaid; one dozen pairs, by freight or express, \$3.50.

Box Makers Hatchet (Improved) This all-metal Box Makers Hatchet has been greatly improved this season; now has a checkered face on head, best of all, a **HEAVY STEEL RE-INFORCEMENT** in the **NECK** making it 50 per cent stronger and just the right weight. Will make as many boxes and get lost just as easily as a hatchet costing three times the price. Price, each 40c, Per doz. \$4.00. Three for \$1.00.

Automatic Tacking Machine

For fastening tags or cards to tree boxes, cars, etc. The slickest little labor saver in our packing house. No hunting for tacks, no finger pricks, fumbling for hammer or lost motion. Just lay it on top of tag or card and tap the knob with palm of hand, a light tap, quick as lightning, will tag a box so quickly and easily that it is a joy to do it. Instead of round headed tacks

this little machine automatically staples the tag or card in place. Guaranteed to work on any wood. Money back if not satisfactory; will ship on thirty days trial to any responsible nurseryman. Machine guaranteed against breakage for three years. Machine, each \$1.50; Postpaid, \$1.80; Staples per box of 5000, \$1.50; Postpaid \$1.70

NOTICE—We will give you the benefit of the **DOZEN RATE** on all orders for Knives, Shears, Mule Skin Mittens, etc., when ordered in half-dozen lots.

OFFICE SUPPLIES

Order Books—Your name and address printed, 100 orders to book, best quality, heavy glazed paper, latest form. Sample sheet free for the asking. Not less than 500. \$2.50 for 500 (5 books), Postage extra; \$3.25 per 1000 (10 books) postage extra. Postage extra 5c per book. Always give plain copy of firm name and address so that no mistake in printing will occur.

Delivery Books—Bound in paper cover, ruled, showing name of customer, post office address, amount of order, how settled, etc. For 24 accounts, 50 cents per dozen postpaid; for 72 accounts, 75 cents per dozen postpaid; for 120 accounts, 85 cents per dozen postpaid; for 168 accounts, \$1.00 per dozen postpaid. Half dozen at dozen rates, Inexpensive and mighty handy.

Shipping Tags—Printed to order, strung ready for use. Three sizes, two qualities, all have reinforced eyelets.

Standard Quality, Reinforced Eyelets

A better tag than is usually used

		Per 500	Per 1000
Size No. 5.	2½x4¾ inches, printed on one side	\$2 10	\$3 20
	Printed on two sides	3 10	4 45
Size No. 7.	2⅞x5¾ inches, printed on one side	2 15	3 30
	Printed on two sides	3 15	4 55
Size No. 8.	3⅛x6⅜ inches, printed on one side	2 25	3 35
	Printed on two sides	3 25	4 65

Note the new size (No. 8) this season. This tag has plenty of room for address and Inspection Certificate on one side without crowding.

Extra Quality, Waterproof, Brass Bound Eyelets

THE BEST TAG WE KNOW OF

		Per 500	Per 1000
Size No. 5.	2½x4¾ inches, printed on one side	\$2 35	\$3 65
	Printed on two sides	3 35	4 90
Size No. 7.	2⅞x5¾ inches, printed on one side	2 40	3 80
	Printed on two sides	3 40	5 05

Always send copy showing how tags are to be printed. Samples on request.

GREAT GRIP NUT SHELLER

A Real Nut Cracker at Last

Not strictly speaking a nursery tool, but all nurserymen like nuts, and you have like ourselves used the old style nut crackers, pinched your fingers, smashed the meat of the nut all to pieces, lost your temper and damaged your religion. In offering this little implement we are really doing missionary work: It is a dandy. Beautifully made, will last a life-time; constructed on new and scientific lines. So arranged that the jaws with their great grip, never close fully; will receive a table nut of any size and variety, and crack the shell only, bringing out the meat whole. Will handle castana ("nigger toes") with the same ease that it shells a pecan. Heavily nickeled, an ornament to any table. Price each, postpaid, \$1.60; by freight or express with other goods, \$1.50. Money back without a word to any dissatisfied user.
